ISG Star of Excellence™ – Nominate

[Download the Star of Excellence Brochure](#)

We encourage all providers to nominate their clients to participate in the ISG Star of Excellence™ (SoE) program.

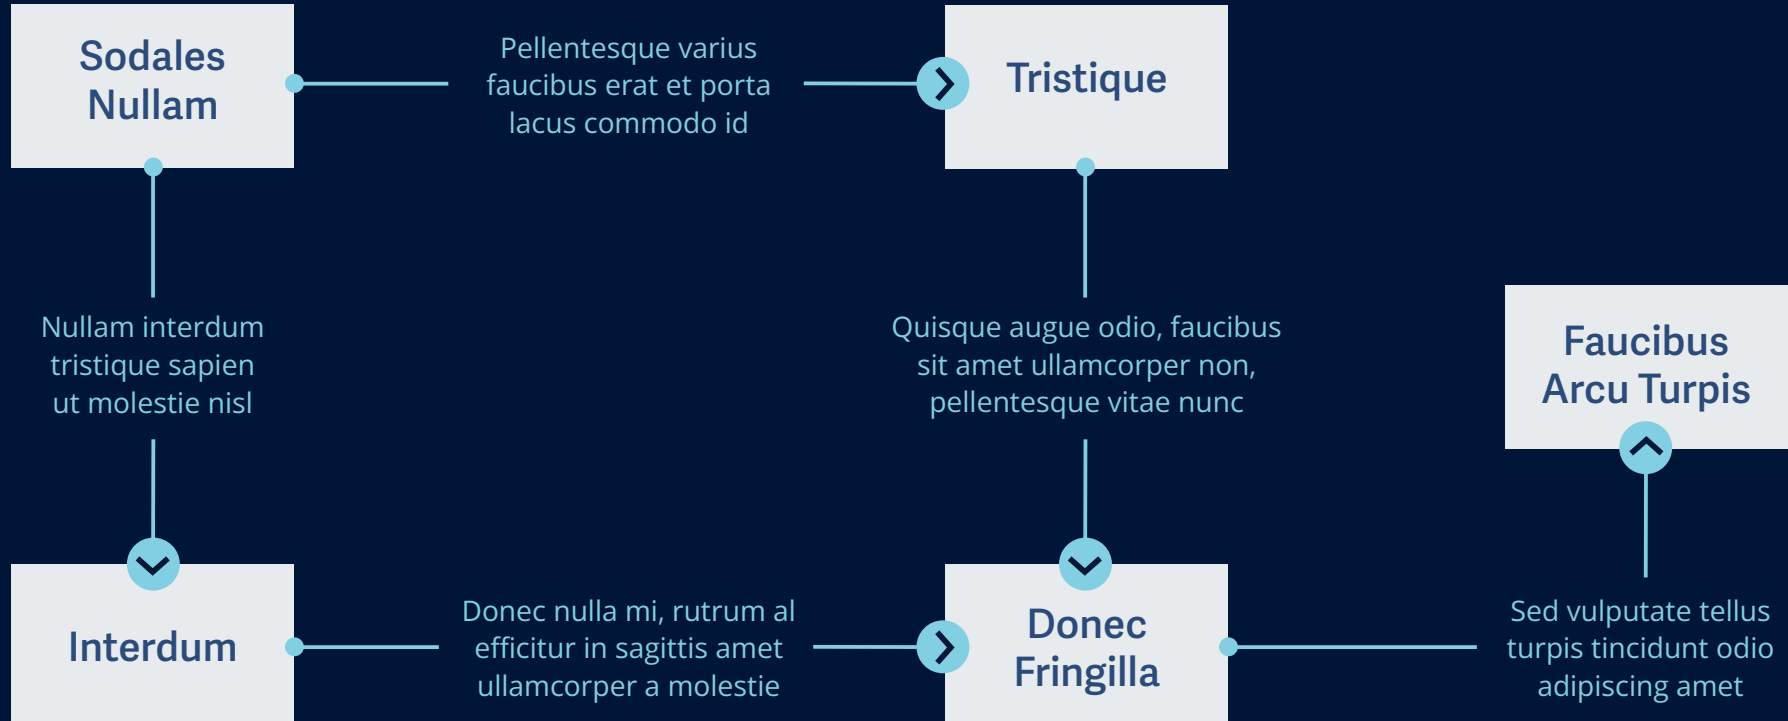

Why is this important?

- CX insights influence the position in the ISG Provider Lens (IPL) quadrants and, thus, the analyst/consultant perception in the sourcing business
- Track and understand enterprise CX with IT and business services/solutions by industry or region to improve
- Receive awards and make use of benchmark reports for marketing campaigns to inform the market about your client-centricity in comparison with the industry average

How to nominate?

Please use the form below for *individual* nominations or the link to the *bulk* nomination ([click here](#)) to provide us with all the necessary information about your customer(s). Start with selecting the type of your firm and then choose a content item.

Quis Lectus Ac Dolor

About Our Company & Research

ISG Provider Lens™

ISG Star of Excellence™ is an independent recognition of excellent service delivery based on the concept of “Voice of the Customer.” This program is designed by ISG to collect client feedback about service providers’ success in demonstrating the highest standards of client service excellence and customer centricity. The global survey is all about services that are associated with the ISG Provider Lens™ (IPL) set of studies.

For more information about ISG Star of Excellence™, please email ISGStar@isg-one.com, or visit [this page](#).

ISG Research™

ISG Research™ provides subscription research, advisory consulting and executive event services focused on market trends and disruptive technologies driving change in business computing. ISG Research delivers guidance that helps businesses accelerate growth and create more value.

For more information about ISG Research subscriptions, please email contact@isg-one.com, call +1.203.454.3900, or visit www.research.isg-one.com.

ISG

ISG (Information Services Group) (Nasdaq: III) is a leading global technology research and advisory firm. A trusted business partner to more than 800 clients, including more than 75 of the world’s top 100 enterprises, ISG is committed to helping corporations, public sector organizations, and service and technology providers achieve operational excellence and faster growth. The firm specializes in digital transformation services, including automation, cloud and data analytics; sourcing advisory; managed governance and risk services; network carrier services; strategy and operations design; change management; market intelligence and technology research and analysis.

Founded in 2006, and based in Stamford, Conn., ISG employs more than 1,300 digital-ready professionals operating in more than 20 countries—a global team known for its innovative thinking, market influence, deep industry and technology expertise, and world-class research and analytical capabilities based on the industry’s most comprehensive marketplace data. For more information, visit www.isg-one.com.
