

Poster Set Example

300 million
tons of plastic are
produced every year

Think twice –
use one, not once
REFUSE SINGLE-USE PLASTIC.

REFUSE SINGLE-USE PLASTIC.

500 billion
disposable cups
are consumed
every year

Think twice –
use one, not once

Think twice – use one, not once

8 MILLION

tons of plastic end
up in our oceans
each year

REFUSE SINGLE-USE PLASTIC.

Think twice – use one, not once

8 MILLION
tons of plastic end
up in our oceans
each year

REFUSE SINGLE-USE PLASTIC.

REFUSE SINGLE-USE PLASTIC.

Most of the cups disposed of today will still be present in landfills 500 years from now
